

Dear Friends: It's now that we must act. We have the method and a good program. We can make real changes happen and show the example. But there needs to be more of us!

If everyone of you could share this letter with a close friend or family member and urge him or her to become a donor, we could do marvelous things in 2015!

If you would like to assist with the purchase of the truck, go to www.crowdrise.com. In the search box, type Buying a Truck. You should see ECHOPPE's information on that page.

For those who have PayPal accounts, you may make contributions to ECHOPPE via our website, www.echoppe.org. The website is being revamped so check it again in a month or so when we hope to have new information posted.
