

Dear Friends:

It's now that we must act. We have the method and a good program. We can make real changes happen and show the example. But there needs to be more of us! If everyone of you could share this letter with a close friend or family member and urge him or her to become a donor, we could do marvelous things!

"Be the change that you want to see in the world" ----Ghandi

If you have a PayPal account, you may make contributions to ECHOPPE via our website, www.echoppe.org. Many thanks!!!

I'm proud to be a partner with ECHOPPE.
